CORRECTIONS TO THE QUEBEC ROSTER

Captain John Topham Company: Private Philip Rollins. His hometown is Winchendon, New Hampshire and not Winchendon, Massachusetts.

Private Jabez Brooks is listed in my Quebec Expedition roster in both the Ward Company and the Hubbard Company. He should only be listed in the Ward Co. This is confirmed by the information in Ware's Journal regarding those men that were taken prisoner. Jabez Brooks is listed in the Ward Company. His name is also shown in the Ward Co. on the *Return of Rebel Prisoners Taken at Quebec*.

Isaac Melcher is listed in the Headquarters Company as a Volunteer. His actual name is Isaac Melchior instead of Melcher per listing in Pennsylvania in the War of the Revolution.
